Core Skills

UX/UI Strategy, Design Systems, Prototyping, A/B Testing, Figma, HTML/CSS/JS, Google AI Studio, Cursor, Claude, Data Visualization

Professional Experience

Lead UX/UI Product Designer | Donkey Donkey AI

Jan 2026 – Present | Los Angeles, CA

- Led end-to-end product design for a travel web app from concept to launch.
- Created interface patterns to simplify complex user inputs and interactions.
- Built functional prototypes to speed up design handoff and development.

Senior UX/UI Product Designer | Tiki (formerly Clicktripz)

May 2017 – Jan 2025 | Hermosa Beach, CA

- End-to-end design for web platforms, internal tools, and monetization features.
- User flows and Ad-tech interfaces that improved engagement and conversions.
- Managed component libraries and handoffs.

Senior UX/UI Designer | Sony Crackle

Oct 2016 – Feb 2017 | Culver City, CA

- Adapted responsive web and app layouts across 20+ streaming platforms and devices.
- Conducted in-person user testing to validate concepts and refine interface flows.
- Redesigned onboarding and playback flows to reduce drop-off and boost retention.

Senior UX/UI Designer | MyLife.com

Jun 2012 – Sep 2016 | Westwood, CA

- Redesigned complex data-heavy search pages into clear, easy-to-read visual layouts.
- Created UI layouts optimized for high-traffic web environments.

Education & Credentials

- B.F.A., Fashion Marketing – American InterContinental University
- Certificate, Design Communication Arts – UCLA Extension
